## Share the Beauty, Fast Track Your Rewards

- **Power of Referrals:** Accelerate your rewards significantly when your friends or family claim services with your Queen's Club code. Each of their visits is a step closer to your next reward, potentially reducing your own visits to fewer than five!

## Unlimited Beauty Circle Benefits

- **Refer More, Earn More:** There's no cap to the rewards you can earn. The more you share Sharp Nails with those you care about, the more unlimited rewards flow into your beauty bounty.

## Exclusivity at Your Fingertips

- **Track Your Triumphs:** Stay updated on your loyalty club progress with online tracking. Know exactly when your next free treatment is due, and plan your beauty schedule with precision.

## Simple. Sophisticated. Special. That's The Queen's Club.

Joining The Queen's Club means more than just enjoying high-quality beauty services; it's about being part of a community that values elegance and rewards dedication.

Ready to ascend to royalty? Step into any Sharp Nail bar for your immediate membership or visit our website to join digitally.

Our loyalty program isn't just unique—it's a statement. Sharp Nails is committed to giving you beauty, benefits, and beyond.
